BN0171 Ceramic watch

High-tech classics meet Braun purity: the special feature of the Braun BN0171 is the full ceramic housing and bracelet. The high-tech material is scratch-resistant and comfortable to wear as it adjusts to your body temperature. The matt, silky shimmering watch with its reduced geometric form, the functional, simple clock face and the iconic yellow second hand is a contemporary and yet classic interpretation of the Braun philosophy.

Digital clock range

The iconic design of the Braun digital travel, alarm, radio, projector and wall clocks has received numerous design awards from leading international design experts to date. Aesthetic clarity comes together with simplicity in use. Iconic details like the green alarm button are ambassadors of Braun's core design philosophy.
